A-Z Office Resource D-Ring Slanted View Black & White Economy Binders

Sold by Each, 12 per Case (4" & 5" Exception)

- Slant rings allow you to store more documents than with comparable round ring binders.
- Open-and-close triggers work effortlessly for fast access to binder contents.
- Stylish linen finish material produces a high-quality look that resists messy fingerprints. Poly material is nonstick so inserts won't lift print.
- Two inside pockets provide extra storage for loose documents.
- Rings mounted on back so pages lie flat

Enviro-Solutions® is a full line of premium green cleaning products and solutions defined by safe raw ingredients, unparalleled innovation, industry insight and simplified knowledge transfer.

Choose Green

Our environmentally preferable products are third-party certified, from programs including ECOLOGO, the U.S. Environmental Protection Agency's Safer Choice program and Health Canada and manufactured in our state-of-the-art, sustainable, Green Seal certified facility. These programs provide a third-party guarantee that Enviro-Solutions products perform and are safer for human health and the environment.

We consider ourselves your partner in creating healthier, safer spaces for future generations. That's why our line of effective, healthy and environmentally responsible cleaning solutions are constantly being improved to meet the ever-changing needs of our end users and the spaces they clean.

Choose Simple

When you succeed, we succeed—it's just that simple.

At Enviro-Solutions, green and sustainable cleaning means more than safe chemicals. Through decades of experience, we've uncovered what's important to our customers and responded by developing simplified programs that include a host of customer-friendly features that will ensure your success, while protecting human health and the environment. Our solutions are streamlined and efficient, reducing waste, cost and time.

Each program is supported by simplified knowledge transfer, training and resources, plus access to our excellent customer service team, to ensure your success. We've also developed cleaning programs to match the distinct needs of each facility type through our market segment focus. It all helps provide efficiencies that tighten up your cleaning program, eliminating waste, confusion and excess cost.

Betco® EXTREME® High power, Fast Acting, Low Odor, No- Rinse Floor Stripper

5 Gallon Pail

- This high power, high speed floor stripper was developed to penetrate and remove multiple coats of burnished floor finish with a minimum of labor. Utilizing the latest in technology, this powerful professional stripper actually "unlocks" the chemical bonds of acrylic and urethane fortified floor finishes, releasing them from the floor surface. This fast acting, labor saving product requires little if any scrubbing and greatly reduces the time it takes to strip a floor. This powerful professional stripper has a lower pH than competitive formulas and requires no neutralizing or flood rinsing after use. Developed for use on resilient floors, this product is also suitable for use on most surfaces.
-
- Rinse free - Has a lower pH than competitive formulas, requires no neutralization or rinsing.
